#### ***Fighting for Equity and Justice***

**September 28, 2019**

**5:00 – 8:30 p.m. at the Orr Building, State Fair Grounds, Springfield, IL**

**Guest Speaker: Retired US Attorney Jim Lewis**

The Faith Coalition for the Common Good (FCCG) is a coalition of 35 faith congregations and community organizations working collaboratively for racial equity, civic engagement, a fair economy and participatory decision making.

FCCG is a 501c3, nonprofit organization, an affiliate of Gamaliel of Illinois and National Gamaliel. FCCG trains ordinary people to become leaders in their community and affect systemic change by impacting laws, policies and procedures.

FCCG was founded in 2008 because of the injustices of racism and poverty in central Illinois. It was founded because a group of faith and community leaders believed in a vision for the common good. This vision is being realized, not through social service and charity, but through leadership training, relationship development, issue identification and public action.
